PROFESSIONAL SUMMARY

Youth engagement and stakeholder-partnership professional with 5+ years of experience building sustained relationships with youth, colleges, NGOs, and institutional partners across Nepal. Proven record leading candidates and participants through a full engagement funnel from first outreach and motivation-building to event conversion and follow-through including direct training and cultivation of 5,000+ youth across 10+ districts. Skilled in high-visibility event management, digital and in-person outreach, stakeholder reporting, and program coordination. Fluent in Nepali and English, with a strong personal commitment to educational equity and youth leadership development that aligns closely with Teach For Nepal's mission and core values.

CORE COMPETENCIES

Youth & Institutional Outreach • Candidate/Participant Funneling & Conversion • Event & Info-Session Management • Stakeholder & Partnership Building • Training Facilitation & Public Speaking • Documentation, Reporting & M&E • Strategic Planning & Program Coordination • Sponsorship & Fundraising • MS Office Suite

PROFESSIONAL EXPERIENCE

Program Manager | Nepal Business Institute

Nov 2025 – Present

- Lead planning and delivery of national youth-entrepreneurship programs, directing outreach and cultivation efforts with colleges, youth networks, sponsors, and government stakeholders.
- Build and sustain institutional partnerships to expand program visibility, credibility, and participation among target youth audiences.
- Own the participant experience end-to-end from first outreach and motivation-building through event logistics, engagement, and post-program follow-up.
- Oversee team coordination, budgeting, and reporting to ensure program goals are consistently met or exceeded.

Program Officer, Nepal Business Institute

Oct 2024 – Nov 2025

- Coordinated and executed large-scale events Nepal Business Summit 2025 and Nepal Youth Entrepreneurship Summit 2025 — engaging colleges and youth networks nationwide.
- Drove participant recruitment and conversion through targeted digital campaigns, direct outreach, and 1-1 engagement, strengthening turnout and stakeholder buy-in.
- Collaborated with sponsors, media, and policymakers to increase event visibility and impact.
- Documented engagement outcomes and contributed to post-event evaluation to inform future strategy.

Project Coordinator | Asha Project Nepal (Part-time)

Jan 2019 – Present

- Oversee education, sanitation, and community-development project activities across 18 districts and 29 schools, coordinating directly with district teams and local NGOs.
- Maintain accurate stakeholder and donor reporting, ensuring financial transparency and accountability.
- Lead monitoring & evaluation processes to track outcomes and continuously improve project delivery.

Trainer (Consultant) | Connection Nepal

2019 – Present

- Design and deliver national training programs on Disaster Risk Reduction, Climate Change Adaptation, Menstrual Hygiene Management, and WASH.

- Engaged and trained 5,000+ youth, educators, and community members across 10+ districts building the sustained, in-person rapport central to long-term youth cultivation.
- Develop training manuals and partnership proposals in collaboration with local and international stakeholders.

LEADERSHIP & VOLUNTEERING — ROTARACT DISTRICT 3292 (NEPAL & BHUTAN)

District Secretary 2025 – 26

- Lead district administration, communications, and strategic planning for 150+ Rotaract clubs, driving youth engagement across two countries.
- Coordinate district committees to align projects with Rotary's Areas of Focus and the UN SDGs.

Assistant District Rotaract Representative 2024 – 25

- Mentored club presidents and secretaries on project planning, member retention, and leadership growth — 1-1 cultivation work closely mirroring candidate support.
- Coordinated national training seminars (RYTS, DRR Installation) and service campaigns.

Assistant District Secretary • Club Adviser, Rotaract Club of Sukedhara 2023 – 24

- Managed district records, reporting, and communication flow between clubs and the district council.
- Mentored youth leaders on public speaking, event management, and project execution.
